

VAISHAKH K

VISUAL DESIGNER

Hii, I'm Vaishakh a graduate visual designer based on Kerala. I enjoy creating new designs, Building brand designs, and more things related to design. I won't stop explore many different new designs and enjoy designing. I have started the graphics journey much earlier at the age of 17 but took it as professional career at the age of 19. I love to explore different styles and forms to improve my skills.
